The weather on both days was fine, dry and sunny.

Longworth Traps

Twenty (20) Longworth traps were set up with bedding (hay) and bait (muesli, diced apple, and casters) in the grounds of Grafham Church from 7.30pm on 27th May 2022. They were checked and opened from 8.00am on the following day and then removed from the site. Animals found in traps were identified for species, weighed, and sexed.
